

BECAUSE THE ENK IS MIGHTIER THAN THE PEN

5307 Rhode Island Ave N.
Minneapolis, MN 55428

Capabilities Statement

Web Enk is a Certified Veteran Owned Small Business stretching the mind in network, graphic, web and Internet design for over twenty-five years. Designs that have included power-house projects involving

- a database that provides afterschool programs in South Carolina with the ability to search for potential funding sources
- a network design Mayo Foundation, Rochester, MN, with 28 file servers
- Turner Broadcasting, Atlanta, GA, for synchronized broadcasting in public classrooms throughout the United States,
- a system for SERVE (Southeastern Regional Vision for Education) with over 48,000 public school educators throughout the southeastern six states
- NASA at the Stennis Space Center involving geosynchronous weather satellites.
